OUTPUT

The screenshot shows a web browser window with multiple tabs. The active tab displays a registration form titled "REGISTRATION FORM" centered on a solid green background. The form is a white rectangular box containing the following elements:

- FIRST NAME**: A text input field.
- LAST NAME**: A text input field.
- ADDRESS**: A text input field with a small downward arrow icon on the right.
- DISTRICT**: A text input field.
- STATE**: A text input field.
- DATE OF BIRTH**: A date picker field showing "dd-mm-yyyy".
- GENDER**: Radio buttons for "MALE" and "FEMALE".
- NATINALITY**: Radio buttons for "INDIAN" and "OTHER".
- PASSWORD**: A text input field.
- CONFIRM PASSWORD**: A text input field.
- REGISTER**: A button with a "Submit" label.
- EDIT**: A button with a "Reset" label.

The browser's address bar shows the file path "G:/wW/CO1-5.HTML". The Windows taskbar is visible at the bottom of the screen.
